

# How to Attach your Car Seat Cover

**1**

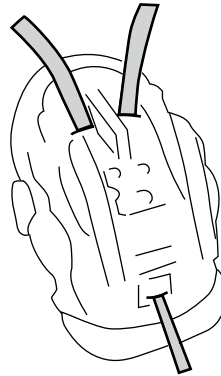

Remove canopy and set aside.

**2**

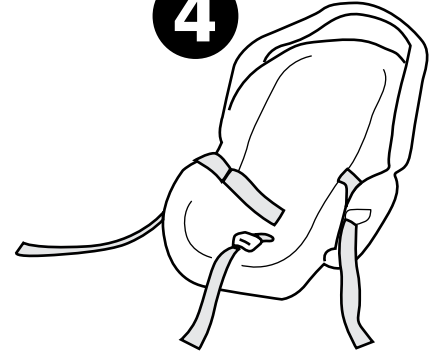

Turn car seat over & unhook belts.

**3**

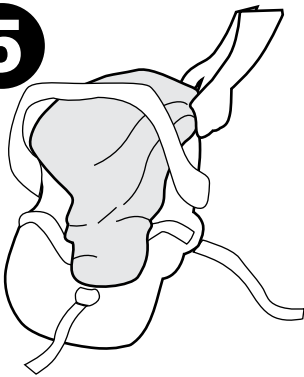

Pull belts out through the front of the car seat.

**4**

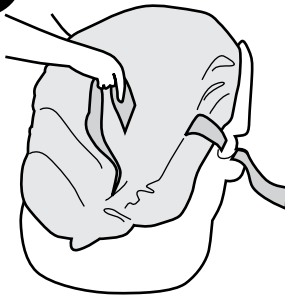

Flip the car seat back over to the front side.

**5**

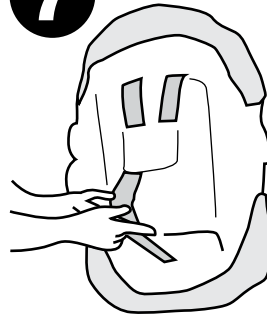

Slip your Tat'r Tots cover over the original car seat cover.

**6**

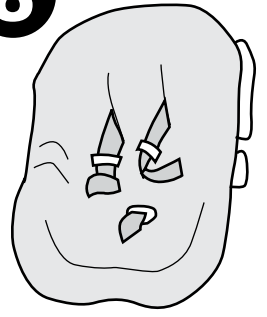

Feed the straps back through your new cover.

**7**

Flip car seat back over and re-attach belts.

**8**

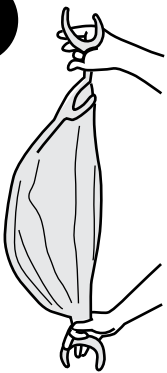

Done!

# How to Attach the Canopy

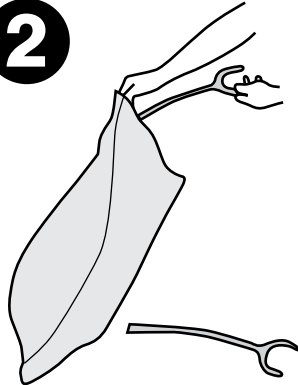

Note: Toddler covers do not come with a canopy.

**1**

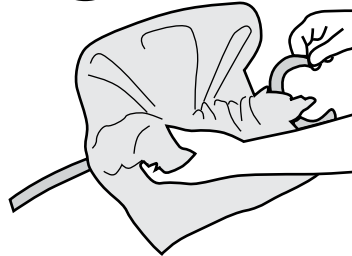

Pull forcefully to separate plastic pieces inside original canopy (once separated, you will only need 2 interlocking pieces).

**2**

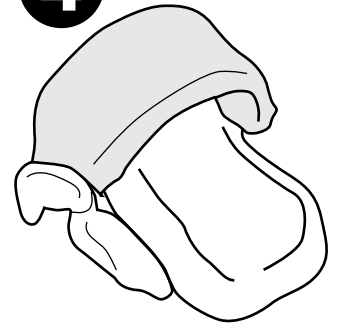

Feed plastic piece into opening of your Tat'r Tots canopy.

**3**

Bunch together fabric until one plastic piece has come through.

**4**

Reattach the 2 interlocking plastic pieces and then reattach the canopy. Done!
